Mr. David E. Snider,
Western Regional Manager
Sauereisen, Inc.
160 Gamma Dr.
Pittsburgh, PA 15238-2989

Subject: Approval of Sauereisen SewerGard No. 210X Epoxy Lining System

Dear Mr. Snider:

This is in reference to your application in which you requested the City of San Diego (City) to evaluate Sauereisen SewerGard No. 210X Epoxy Lining System for approval and addition to the City's Wastewater Approved Materials List for the rehabilitation of sewer manholes.

The City has completed the evaluation and determined that adequate product information has been presented to approve the Sauereisen SewerGard No. 210X Epoxy Lining System. This product will be included in the next Wastewater Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the Sauereisen SewerGard No. 210X Epoxy Lining System is contingent on the following conditions:

- 1) The Sauereisen SewerGard No. 210X Epoxy Lining System is manufactured and assembled at 160 Gamma Dr., Pittsburgh, PA.
- 2) Sauereisen shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) Sauereisen shall provide application/installation procedures for the product to ensure they meet the current Standard Specifications for Public Works Construction Greenbook and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by Sauereisen or any of Sauereisen's authorized suppliers.

- 4) Any unilateral action by Sauereisen without seeking prior consultation and agreement of the City in regard to the above mentioned conditions and limitations shall constitute a breach of agreement, resulting in the deletion of Sauereisen's product from the City's Approved Materials List.

Congratulations on your success in being included on the City's Wastewater Approved Materials List.

Sincerely,

Tung Phung, PE
Senior Civil Engineer
